Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Issue date: 26 June 2023 Version: 1.0

SECTION 1: Identification

1.1. Identification

Product form Product name

- : Mixture
- : 6,7-Dihydroxy-4-oxaheptylamine hydrochloride
- Product code : LKD4040

1.2. Recommended use and restrictions on use

See Section 15.1

1.3. Supplier

US Address:

LGC Genomics LLC 2434 Bishop Circle East Dexter, MI 48130 USA

1.4. Emergency telephone number

Emergency number

: 1-888-575-9695 (Monday-Friday, 8:00AM-5:00PM)

SECTION 2: Hazard(s) identification

2.1. Classification of the substance or mixture

GHS-US classification

Not classified

2.2. GHS Label elements, including precautionary statements

GHS US labelling

No labelling applicable

2.3. Other hazards which do not result in classification

No additional information available

2.4. Unknown acute toxicity (GHS US)

Not applicable

SECTION 3: Composition/information on ingredients

3.1. Substances

Not applicable

3.2. Mixtures

Name	Product identifier	%
Contains no hazardous ingredients at levels requiring disclosure by the OSHA Hazard (1910.1200)	Communication Standard (29	CFR

SECTION 4: First-aid measures

4.1. Description of first aid measures

First-aid measures general	: If exposed or concerned, get medical attention/advice. Show this safety data sheet to the doctor in attendance. Wash contaminated clothing before re-use. Never give anything to an unconscious person.
First-aid measures after inhalation	: IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.
First-aid measures after skin contact	: IF ON SKIN (or clothing): Remove affected clothing and wash all exposed skin with water for at least 15 minutes.
First-aid measures after eye contact	: IF IN EYES: Immediately flush with plenty of water for at least 15 minutes. Remove contact lenses if present and easy to do so. Continue rinsing.

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Symptoms/effects after inhalation : May cause residual contract Symptoms/effects after skin contact : May cause skin contact Symptoms/effects after eye contact : Direct contact Symptoms/effects after ingestion : May cause gat 4.3. Immediate medical attention and special treatment, if No additional information available SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Foam. Dry pot Unsuitable extinguishing media : Water spray. 5.2. Specific hazards arising from the chemical Fire hazard : Not flammable Explosion hazard : Not dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter of Self-containee Settom of the chemical : Exercise caut Firefighting instructions : Exercise caut Subjection during firefighting : Do not enter of Self-containee Settom of the chemical : Evacuate are Personal precautions, protective eq	wder. Carbon dioxide (CO2).
Symptoms/effects after inhalation : May cause residual symptoms/effects after skin contact : May cause skin symptoms/effects after skin contact Symptoms/effects after skin contact : Direct contact Symptoms/effects after ingestion : May cause gat 4.3. Immediate medical attention and special treatment, if No additional information available SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Foam. Dry po Unsuitable extinguishing media : Water spray. 5.2. Specific hazards arising from the chemical Fire hazard : Not flammable Explosion hazard : Not dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter of Self-containee Settom of the chemical : Exercise caut Firefighting instructions : Exercise caut General measures : Evacuate are Settom of the chemical : Evacuate are Personal precautions, protective equipment and emeil : Evacuate are	spiratory irritation. in irritation. with eyes is likely to be irritating. istrointestinal irritation. necessary wder. Carbon dioxide (CO2).
Symptoms/effects after skin contact : May cause skin contact Symptoms/effects after eye contact : Direct contact Symptoms/effects after ingestion : May cause gat 4.3. Immediate medical attention and special treatment, if No additional information available SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Foam. Dry po Unsuitable extinguishing media : Water spray. 5.2. Specific hazards arising from the chemical Fire hazard : Not flammable Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut containers. D Protection during firefighting Protection during firefighting : Do not enter fight-container SECTION 6: Accidental release measures : Evacuate are personnel protective equipment and emer	in irritation. with eyes is likely to be irritating. istrointestinal irritation. necessary wder. Carbon dioxide (CO2).
Symptoms/effects after eye contact : Direct contact Symptoms/effects after ingestion : May cause gat 4.3. Immediate medical attention and special treatment, if No additional information available SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Foam. Dry po Unsuitable extinguishing media : Water spray. 5.2. Specific hazards arising from the chemical Fire hazard : Not flammable Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut containers. D Protection during firefighting Protection during firefighting : Do not enter fightion SECTION 6: Accidental release measures : Evacuate are personnel protective equipment and emerged General measures : Evacuate are personnel protective	with eyes is likely to be irritating. Istrointestinal irritation. necessary wder. Carbon dioxide (CO2).
Symptoms/effects after ingestion : May cause gat 4.3. Immediate medical attention and special treatment, if No additional information available SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Foam. Dry pool Unsuitable extinguishing media : Water spray. 5.2. Specific hazards arising from the chemical Fire hazard : Not flammable Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut containers. D Protection during firefighting Protection during firefighting : Do not enter fightion SECTION 6: Accidental release measures : Evacuate are personnel protective equipment and emer General measures : Evacuate are personnel protective	astrointestinal irritation. necessary wder. Carbon dioxide (CO2).
 4.3. Immediate medical attention and special treatment, if No additional information available SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media Foam. Dry poon Unsuitable extinguishing media Water spray. 5.2. Specific hazards arising from the chemical Fire hazard Product is not Reactivity Special protective equipment and precautions for fire Precautionary measures fire Exercise caut containers. D Protection during firefighting Do not enter the Self-container Self-container General measures Evacuate are personnel procession 	necessary wder. Carbon dioxide (CO2).
No additional information available SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media Unsuitable extinguishing media Section hazard arising from the chemical Fire hazard Intervention Product is noted are are are personnel production and precautions for fire Section 6: Accidental release measures Sevention are are are are personnel production Sevention are are are are are are personnel production Sevention are	wder. Carbon dioxide (CO2).
SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Foam. Dry po Unsuitable extinguishing media : Water spray. 5.2. Specific hazards arising from the chemical Fire hazard : Not flammable Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut containers. D Protection during firefighting Self-container Self-container Self-container Self-container General measures : Evacuate are personnel pro	
5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Foam. Dry po Unsuitable extinguishing media : Water spray. 5.2. Specific hazards arising from the chemical Fire hazard : Not flammabl Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter fiself-containers SECTION 6: Accidental release measures : Evacuate are personnel protective equipment and percentions	
Suitable extinguishing media : Foam. Dry pool Unsuitable extinguishing media : Water spray. 5.2. Specific hazards arising from the chemical Fire hazard : Not flammable Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter fiself-containers SECTION 6: Accidental release measures : Evacuate are General measures : Evacuate are	
Unsuitable extinguishing media : Water spray. 5.2. Specific hazards arising from the chemical Fire hazard : Not flammable Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter fiself-contained SECTION 6: Accidental release measures 6.1. General measures : Evacuate are personnel protective	
5.2. Specific hazards arising from the chemical Fire hazard : Not flammable Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter fisele-contained SECTION 6: Accidental release measures 6.1. General measures : Evacuate are personnel protective equipment and emericant	Э.
Fire hazard : Not flammable Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter fighting SECTION 6: Accidental release measures 6.1. Personal precautions, protective equipment and emer General measures : Evacuate are personnel protection : Evacuate are	Э.
Explosion hazard : Product is not Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter fighting SECTION 6: Accidental release measures 6.1. Personal precautions, protective equipment and emer General measures : Evacuate are personnel protection : Evacuate are	9.
Reactivity : No dangerous 5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter the Self-contained SECTION 6: Accidental release measures 6.1. General measures : Evacuate are personnel protection	
5.3. Special protective equipment and precautions for fire Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut Protection during firefighting : Do not enter fighting SECTION 6: Accidental release measures 6.1. Personal precautions, protective equipment and emer General measures : Evacuate are	explosive.
Precautionary measures fire : Eliminate all i Firefighting instructions : Exercise caut containers. D Protection during firefighting : Do not enter fiself-containers SECTION 6: Accidental release measures 6.1. Personal precautions, protective equipment and emerged General measures : Evacuate are personnel protection	reactions known under normal conditions of use.
Firefighting instructions : Exercise caut containers. D Protection during firefighting : Do not enter the Self-containers SECTION 6: Accidental release measures 6.1. Personal precautions, protective equipment and emers General measures : Evacuate are personnel protection	fighters
Protection during firefighting : Do not enter fighting SECTION 6: Accidental release measures 6.1. Personal precautions, protective equipment and emer General measures : Evacuate are personnel protective	gnition sources if safe to do so.
Self-container SECTION 6: Accidental release measures 6.1. Personal precautions, protective equipment and emer General measures : Evacuate are personnel pro	on when fighting any chemical fire. Use water spray or fog for cooling exposed on to dispose of fire-fighting water in the environment.
6.1. Personal precautions, protective equipment and emer General measures : Evacuate are personnel pro	ire area without proper protective equipment, including respiratory protection. I breathing apparatus.
General measures : Evacuate are personnel pro	
personnel pro	gency procedures
	a. Ventilate area. Keep upwind. Spill should be handled by trained cleaning perly equipped with respiratory and eye protection.
6.1.1. For non-emergency personnel	
Protective equipment : Wear Protect	ve equipment as described in Section 8.
Emergency procedures : Evacuate unr	ecessary personnel.
6.1.2. For emergency responders	
	protective clothing, gloves and eye or face protection. Approved supplied-air case of emergency.
6.2. Environmental precautions	
Avoid release to the environment. Prevent entry to sewers and publ	c waters.
6.3. Methods and material for containment and cleaning u	ρ
	ollect as any solid. Sweep or shovel spills into appropriate container for disposal.
Methods for cleaning up : Wear suitable suitable conta way, and as p	to sewers and public waters.

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

SECTION 7: Handling and storage

7.1.	Precautions for safe handling		
Preca	utions for safe handling	: Do not handle until all safety precautions have been read and understood. Keep container closed when not in use. Do not breathe vapors. Avoid contact with skin and eyes. Do not eat, drink or smoke when using this product. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work.	
7.2.	Conditions for safe storage, includir	nditions for safe storage, including any incompatibilities	
Stora	ge conditions	: Store in original container. Keep container closed when not in use. Containers which are opened should be properly resealed and kept upright to prevent leakage. Store in a dry, cool and well-ventilated place at 5°C.	

SECTION 8: Exposure controls/personal protection

8.1. Control parameters

Not applicable

8.2. Appropriate engineering controls

Appropriate engineering controls

: Provide adequate general and local exhaust ventilation. Use process enclosures, local exhaust ventilation, or other engineering controls to control airborne levels below recommended exposure limits. Ensure adequate ventilation, especially in confined areas.

8.3. Individual protection measures/Personal protective equipment

Personal protective equipment symbol(s):

Personal protective equipment:

Gloves. Protective goggles. Wear labcoat with full coverage clothing. [In case of inadequate ventilation] wear respiratory protection.

Hand protection:

Use gloves appropriate to the work environment

Eye protection:

Use eye protection suitable to the environment. Avoid direct contact with eyes.

Skin and body protection:

Wear long sleeves, and chemically impervious PPE/coveralls to minimize bodily exposure.

Respiratory protection:

Where vapor, mist, or dust exceed PELs or other applicable OELs, use NIOSH-approved dust/particulate respiratory protective equipment

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

Physical state	: Solid
Color	: No data available
Odor	: No data available
Odor threshold	: No data available
рН	: No data available
Melting point	: No data available
Freezing point	: No data available
Boiling point	: No data available

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

: No data available Flash point Relative evaporation rate (butylacetate=1) : No data available Flammability (solid, gas) : No data available Vapor pressure : No data available Relative vapor density at 20°C : No data available Relative density : No data available Solubility : Soluble in DMSO Partition coefficient n-octanol/water (Log Pow) : No data available : No data available Auto-ignition temperature : No data available Decomposition temperature Viscosity, kinematic : Not applicable Viscosity, dynamic : No data available Explosive limits : No data available Explosive properties : No data available Oxidizing properties : No data available

9.2. Other information

No additional information available

SECTION 10: Stability and reactivity

10.1. Reactivity

No dangerous reactions known under normal conditions of use.

10.2. Chemical stability

Stable under recommended handling and storage conditions (see section 7).

10.3. Possibility of hazardous reactions

Reacts with strong oxidizing agents.

10.4. Conditions to avoid

Heat.

10.5. Incompatible materials

None known.

10.6. Hazardous decomposition products

None known.

SECTION 11: Toxicological information

SECH	ION TE TOXICOlogical infor	mation	
11.1.	Information on toxicological eff	fects	
Acute toxicity (oral)			Not classified
Acute toxicity (dermal)			Not classified
Acute	toxicity (inhalation)	:	Not classified
Skin c	orrosion/irritation	:	Not classified
Seriou	is eye damage/irritation	:	Not classified
Respir	ratory or skin sensitisation	:	Not classified
Germ	cell mutagenicity	:	Not classified
Carcin	ogenicity	:	Not classified
Repro	ductive toxicity	:	Not classified
STOT	-single exposure	:	Not classified
STOT	-repeated exposure	:	Not classified
Aspira	tion hazard	:	Not classified
Viscos	sity, kinematic	:	Not applicable

Page 4 of 6

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

<u> </u>			
Symptoms/ef		:	Not expected to present a significant hazard under anticipated conditions of normal use.
	fects after inhalation	:	May cause respiratory irritation.
• •	fects after skin contact	:	May cause skin irritation.
	fects after eye contact	:	Direct contact with eyes is likely to be irritating.
Symptoms/ef	fects after ingestion	:	May cause gastrointestinal irritation.
SECTION 1	2: Ecological information		
12.1. Toxi	city		
Ecology - ger	neral	:	No data available.
12.2. Pers	sistence and degradability		
No additional in	nformation available		
12.3. Bioa	accumulative potential		
No additional in	nformation available		
12.4. Mob	ility in soil		
No additional in	nformation available		
	er adverse effects		
Other adverse	e effects	:	No data available.
SECTION 1	3: Disposal consideration	s	
	oosal methods		
Waste treatm	nent methods	:	Do not discharge to public wastewater systems without permit of pollution control authorities.
			No discharge to surface waters is allowed without a permit.
Product/Pack	aging disposal recommendations	:	Dispose in a safe manner in accordance with local/national regulations. Do not allow the
			product to be released into the environment.
SECTION 1	4: Transport information		
Department	of Transportation (DOT)		
In accordance	e with DOT		
Not regulated	d for transport		
0			
Transport by	y sea (IMDG)		
Not regulated	d for transport		

Air transport (IATA)

Not regulated for transport

SECTION 15: Regulatory information

15.1. US Federal regulations

6,7-Dihydroxy-4-oxaheptylamine hydrochloride

LGC has not confirmed that the chemical substances in this product are on the TSCA Inventory, and LGC is distributing this product solely for use either in applications statutorily exempt from TSCA and regulated under other laws (e.g., FFDCA, FIFRA) or in research and development activities in accordance with the TSCA Inventory R&D exemption provided at 40 CFR 720.36. It is the end-user's responsibility to understand and follow the requirements that apply to its use of this product.

15.2. International regulations

No additional information available

15.3. US State regulations

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

BIOSEARCH[™] TECHNOLOGIES GENOMIC ANALYSIS BY LGC

LG

This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

SECTION 16: Other information	
Other information	: Author: SS.
NFPA health hazard	: 0 - Materials that, under emergency conditions, would offer no hazard beyond that of ordinary combustible materials.
NFPA fire hazard	: 0 - Materials that will not burn under typical fire conditions, including intrinsically noncombustible materials such as concrete, stone, and sand.
NFPA reactivity	: 0 - Material that in themselves are normally stable, even under fire conditions.
HMIS Hazard Rating	
Health	: 0
Flammability	: 0
Physical	: 0
Indication of changes: Revision 1.0: New SDS Created.	

This information is disclosed to the best of LGC's knowledge. Disposal should be in accordance with applicable regional, national and local laws and regulations.
